Dear Mr Ahmed,

Lindfield Learning Village Phase 2 and 3 – SSD 8114: Condition of Consent E13 - Ecologically Sustainable Development

I refer to Lindfield Learning Village Phase 2 and 3 development approved on the 12 November 2020.

In accordance, with condition E13 of the Development Consent, the following document has been submitted to the Planning Secretary for information:

- SSD-8114_Lindfield Learning Village Phase 2&3_Final ESD Assessment Report_Rev2
- SSD 8114 LLV Stage 2 - DPIE SINSW Sustainability Certificate

Certification was completed by an independent third party consultant, Integral Group. Lindfield Learning has satisfied the ESD condition of consent by successfully incorporating ecologically sustainable development initiatives as outlined within the ESD Report prepared by Umow Lai Consulting Engineers S.DOE.0123.ESD-R001. This report demonstrates that the Project has met ESD targets.

Evidence of compliance of implantation has been provided to the project certifier, MBC Group, 23 June 2022.

SINSW Sustainability has also reviewed the documentation, confirming the Projects compliance with SSD 8114 Condition E13, for submission to the Department of Planning.

The Project therefore believes it has fulfilled its requirements under Condition of Consent E13.

Yours sincerely,

Jim Lewis 3/8/2022
