

18.5 Community Consultation 02

- Session 1: 28/11/16
- Session 2: 01/12/16

Project Team and Timeframe

How long will the project take?

The consultant team are currently in the early design phases of the project, following a period of intensive site, scope and brief investigation. Development Application submission to the relevant authorities is anticipated in early February 2017. Announcements about the project's progress will be made as milestones are reached. Information will be provided to the local and UNSW communities at regular intervals. Please visit the project's website: unsw.edu.au/cliffbrook

Who are the project team?

A highly experienced consultant team has been selected by UNSW to design and develop the new campus. Each of the selected consultants is a proven expert in their field and passionate about the project and significance of the site.
