Dear Amber,

**Engagement of Design Architect**

This letter is to confirm that fjmt studio have been engaged by the University of New South Wales to consult on the architectural documentation during the construction stages of the Cliffbrook Campus, Stage 1/ The Stables construction works.

We note that our scope of works will be limited to the confirmation of compliance with the design intent of the documentation.

We trust the above confirmation meets your requirements. Please do not hesitate to contact us should you have any queries.

Yours sincerely,

Elizabeth Carpenter

**Managing Principal**
