I refer to your submission dated 16 March 2022, requesting approval of the Accommodation and Employment Strategy (Revision 1.2, 7 June 2022 submitted in accordance with Condition 28, Schedule 3 of SSD-8392). I also acknowledge your response to the Department's review comments and requests for additional information.

I note the Accommodation and Employment Strategy has been:

- reviewed by Edify Energy and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Accommodation and Employment Strategy (Revision 1.2, 7 June 2022) under Condition 28 of Schedule 3.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.
