**Subject: Traffic Management Plan – Darlington Point Solar Farm (Stage 2(b)(i))**

Dear Ms Driessen,

I refer to your submission requesting approval of the Traffic Management Plan for the Darlington Point Solar Farm (Revision 1.8, dated 19 October 2022).

I note the revised Traffic Management Plan:

- has been updated to capture the revised staging approach as approved in the Revised Staging Request (SSD-8392-PA-43) on 14 October 2022;
- is limited in scope to Stage 2b(i) for the BESS (BESS Mechanical and Electrical Installation); and
- contains minor updates to project details, including Transgrid contact details and revised construction hours which comply with the approved out of hours work permit dated 17 December 2018.

As nominee of the Planning Secretary, I approve the Traffic Management Plan (Revision 1.8, dated 19 October 2022) in accordance with condition 7 of Schedule 3.

You are reminded that if there are any inconsistencies between the Traffic Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Julia Green on 9585 6409 or at [julia.a.green@dpie.nsw.gov.au](mailto:julia.a.green@dpie.nsw.gov.au).

Yours sincerely
