Subject: Darlington Point Solar Farm - Traffic Management Plan Stage 2(b)(ii)

Dear Ms Driessen

I refer to your submission requesting approval of the revised Traffic Management Plan for the Darlington Point Solar Farm (SSD-8392).

The Department notes the revised Traffic Management Plan:

- has been updated following the approval of Modification 2 (SSD-8392-Mod-2) on 31 October 2022;
- is limited in scope to Stage 2b(ii) for the battery energy storage system (connections to the Transgrid substation); and
- contains minor administrative updates.

As nominee of the Planning Secretary, I approve the revised Traffic Management Plan (Revision 2, dated 17 November 2022) in accordance with condition 7 of Schedule 3.

You are reminded that if there are any inconsistencies between the Traffic Management Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Julia Green on 9585 6409 or at [julia.a.green@dpie.nsw.gov.au](mailto:julia.a.green@dpie.nsw.gov.au).

Yours sincerely
