Subject: Darlington Point Solar Farm – Biodiversity Management Plan

Dear Mr Christmas,

I refer to your submission requesting approval of the operational Biodiversity Management Plan for the Darlington Point Solar Farm (SSD-8392). I also acknowledge your response to the Department's review comments and request for additional information.

The Department notes the Biodiversity Management Plan is limited in scope to Stage 3 being the operation of the battery energy storage system (BESS).

As nominee of the Planning Secretary, I approve the Biodiversity Management Plan (Revision 7, dated 7 December 2023) for Stage 3 in accordance with Schedule 3, Condition 12.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katie Weekes on (02) 4927 3223.

Yours sincerely
