Subject: Extension Request for Annual Review

Dear Ms Bateman,

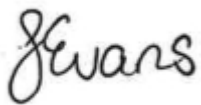

I refer to your request for an extension of time under Condition E13 of SSD 8445 which requires the submission of a report reviewing the environmental performance of the development.

The Department notes that you advise Tahmoor Coal was placed into voluntary administration in late 2025 and an extension of time is sought to account for temporary business disruptions.

Accordingly, the Secretary has granted an extension of time until 31 October 2026 for submission of a report meeting the requirements of Condition 13 of the consent (SSD 8445).

If you wish to discuss the matter further, please contact Gabriel Wardenburg on (02) 9585 6810.

Yours sincerely
