Dear Ms. Ainsworth

**Tahmoor South Coal (SSD-8445)  
Noise Management Plan**

I refer to the revised Noise Management Plan submitted in accordance with Condition B7 of Schedule 2 of the development consent for Tahmoor South Coal (SSD-8445).

Departmental staff have carefully reviewed the document and I note that only minor changes were made to include details regarding the mine site access intersection road upgrade works. I note the revised plan meets the requirements of the relevant conditions of consent.

Accordingly, I approve the Noise Management Plan (Version 4, dated 28 February 2022). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
