Subject: Bargo Waste Management Centre Technical Committee – Secretary's Endorsement

Dear Ms Ainsworth

I refer to your request dated 8 August 2022 seeking the Planning Secretary's endorsement of suitably qualified and experienced persons to form the Technical Committee for the Bargo Waste Management Centre, required by condition C14 of the Tahmoor South Project development consent (SSD 8445).

The Department has reviewed the nominations for the Bargo Waste Management Centre Technical Committee, including engineering and geotechnical specialists, and is satisfied that the nominees are suitably qualified and experienced. Consequently, I can advise that the Secretary approves the appointment of the following members as the Bargo Waste Management Centre Technical Committee:

- Mandy Marino (Wollondilly Shire Council) – Bargo Waste Management Treatment
- Andrew Poore (Wollondilly Shire Council) – Manager Property and Projects Delivery
- Zina Ainsworth (Tahmoor Coal) – Environment & Community Manager
- Charlie Wheatley (Tahmoor Coal) – Tahmoor South Development
- Ross Barber (Tahmoor Coal) – Project Manager Subsidence
- Daryl Kay (Mine Subsidence Engineering Consultants) – Subsidence Specialist
- Sharon Hulbert (SLR) – Hydrogeologist
- Gareth Swarbrick (PSM) – Geotechnical Engineering.

If you wish to discuss the matter further, please contact Gabrielle Allan on 02 9585 6078.

Yours sincerely

Jessie Evans
