Dear Ms. Ainsworth

**Tahmoor South Coal (SSD-8445)
Air Quality and Greenhouse Gas Management Plan**

Thank you for submitting the revised Air Quality and Greenhouse Gas Management Plan in accordance with Condition B18 of Schedule 2 of the consent for the Tahmoor South Coal (SSD-8445-PA-4).

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the condition.

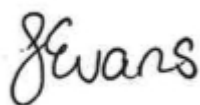

The Department also notes that a copy of the management plan was provided to NSW Health via the portal, and you are yet to receive feedback. Accordingly, the Secretary has conditionally approved the revised Air Quality and Greenhouse Gas Management Plan (Revision V2, dated March 2022).

Within two months of receiving comments from NSW Health that require amendments to the plan, the Department requests that you update the plan, including evidence of how the comments have been addressed, and resubmit to the Department for review and approval via the Major Projects portal.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
