Subject: Surface Water Management Plan

Dear Ms Ainsworth

I refer to the Surface Water Management Plan (Version 5.0 dated 12 September 2023) submitted in accordance with Condition B34, Schedule 2 of the consent for the Tahmoor South Project (SSD-8445).

I note the plan has been updated following approval of modification 2 of SSD-8445 on 13 June 2023.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent.

Accordingly, the Planning Secretary has approved the Water Management Plan (Version 5.0 dated 12 September 2023). Please ensure that the approved plan is placed on the project website at the earliest convenience.

You are reminded that if there are any inconsistencies between the Water Management Plan and the conditions of approval, the conditions prevail.

If you wish to discuss the matter further, please contact Gabrielle Allan on 02 9585 6078.

Yours sincerely
