Subject: Tahmoor South Project – Surface Water Management Plan

Dear Ms Ainsworth,

I refer to your request for review and approval of the Surface Water Management Plan for the Tahmoor South Project (SSD-8445 as modified). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in the consent (SSD-8445 as modified).

Accordingly, as nominee of the Planning Secretary, I approve the Surface Water Management Plan (Revision 6.0 dated 26 June 2024) under Schedule 2 Part B, Condition B34(e)(iv) of the consent. I note that the Surface Water Management Plan includes a Site Water Balance and Salt Balance as required by Condition B34(e)(i) and Condition B34(e)(ii) respectively.

Please ensure you make the document publicly available on the project website at the earliest convenience and each future revision of the Surface Water Management Plan is submitted to the Department for approval via the Major Projects website.

If you wish to discuss the matter further, please contact Katie Weekes on (02) 4927 3223.

Yours sincerely

Jessie Evans  
Director, Resource Assessments
