**Subject: Kooragang LPG Storage Facility – Revised Operational Environmental Management Plan (OEMP)**

Dear Mr Egan

I refer to your submission dated 26 November 2024 regarding the Kooragang LPG Storage Facility (SSD-8448).

I understand you are seeking approval of the revised Operational Environmental Management Plan (OEMP), prepared by Elgas, dated 19 December 2024, version 1.6, submitted in accordance with Conditions C5 and C9 of the consent.

The Department has carefully reviewed the OEMP and is satisfied that it continues to meet the requirements of the relevant conditions in consent (SSD-8448).

Accordingly, as nominee of the Planning Secretary, I approve the following OEMP and sub-management plans:

- Environmental Management Plan, prepared by Elgas, dated 19 December 2024, version 1.6. (Condition C5)
- Operational Traffic Management Plan, prepared by Elgas, dated November 2021, version 1.3. (Condition B19)
- Flood Emergency Response Plan, prepared by Elgas, dated November 2024, version 1.1. (Condition C6)
- Mosquito Management Plan, prepared by Elgas, dated 5 November 2024, version 1.1. (Condition B50).

You are reminded that if there are any inconsistencies between the revised OEMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

Yours sincerely

A handwritten signature in black ink, appearing to read 'CS', is positioned above the typed name.
