Subject: HPE CM: RE: Request for SEARs - Moama Ethanol Plant (SSD-8482905)
Attachments: roads-crown-road-transfer-application-form.pdf

Record Number: DOC2020/0629506

Hi Sally,

The SEARS scope document suggests the primary access to this site is via a Crown Road from Centre Road. DPIE – Crown Lands considers the transfer of this road to council as more suitable, so construction can be administered according to standards specified by local council as the roads authority.

It is recommended that Council initiate an LGA road transfer of the required Crown Road to the Department prior to any work commencing. The application form can be found attached.

Regards,
Shaun

Planning,
Industry &
Environment

The Department of Planning, Industry and Environment acknowledges that it stands on Aboriginal land. We acknowledge the traditional custodians of the land and we show our respect for elders past, present and emerging through thoughtful and collaborative approaches to our work, seeking to demonstrate our ongoing commitment to providing places in which Aboriginal people are included socially, culturally and economically.
