Dear Nuray

Thank you for forwarding the above proposal to the Office of Environment and Heritage (OEH) for consideration. After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards or Aboriginal cultural heritage issues that require a formal OEH response. We have no further need to be involved in the assessment of this project.

Please note that the Heritage Division in the Office of Environment and Heritage may wish to provide separate comments. The Heritage Division can be contacted at heritage@heritage.nsw.gov.au
