Dear Mr. Lang,

**TAFE NSW Institute of Applied Technology for Construction (SSD-8571481)  
Construction Environmental Management Plan & Sub-plans, Conditions B10-B14**

I refer to the Construction Environmental Management Plan (CEMP) and supporting Sub-plans submitted to the Planning Secretary in accordance with condition B10, Schedule 2 of the project Development Consent for the TAFE NSW Institute of Applied Technology for Construction (SSD-8571481).

I note that the submitted:

- Construction Traffic and Pedestrian Management Sub-plan (CTPMSP) does not include information regarding consultation with Council and Transport for NSW (TfNSW). Condition B11(b) requires the CTPMSP to be prepared in consultation with Council and TfNSW; and
- Construction Soil and Water Management Sub-plan (CSWMSP) does not include information regarding consultation with Council. Condition B14(a) requires the CSWMSP to be prepared in consultation with Council.

As soon as practicable, please submit the information to the Department regarding consultation with the relevant stakeholders pursuant to conditions B11(b) and B14(a) of the consent for our records.

Notwithstanding the abovementioned comments, I acknowledge receipt of the CEMP and supporting Sub-plans for our information under condition B10 of SSD-8571481.
