Dear Madam,

**Request for input - Secretary's Environmental Assessment Requirements (SEARs)
Warehouse and Distribution Centre, Bringelly Road Business Hub
Lot 15/E/DP25650 Skyline Crescent Bringelly NSW 2556**

Reference is made to correspondence dated 20/07/2020 seeking input regarding the preparation of Secretary's Environmental Assessment Requirements for the above State Significant Development in accordance with the *Environmental Planning and Assessment Act 1979*.

The New South Wales Rural Fire Service advises that the preparation of an Environment Impact Statement should incorporate a bush fire assessment report prepared by a suitably qualified person that addresses the aim and objectives of *Planning for Bush Fire Protection 2019*. This assessment shall address all the requirements set out in clause 44 of the Rural Fires Regulation 2013.

If you have any queries regarding this advice, please contact Craig Casey, Development Assessment and Planning Officer, on 1300 NSW RFS.

Yours sincerely,

Nika Fomin
