Department of Planning and Environment  
Att: The Secretary  
GPO Box 39,  
Sydney NSW 2001

Dear Sir/Madam,

**Building Code of Australia 2016 (BCA) Capability Statement**  
**Property: University of Wollongong, Northfields Ave, Wollongong NSW 2522**

This proposed development includes the construction of new building known as the Western Building on Main Campus at University of Wollongong.

The purpose of this submission is to advise that we have undertaken a preliminary assessment of the architectural drawings submitted with the Development Application against the provisions of the Building Code of Australia as per the requirements under Clause 145 of the Environmental Planning & Assessment Regulation 2000.

**BCA Assessment:**

- BCA Defined Building Use: Assembly Building (School and Entertainment Venue \*)
- Building Classification: Class 5
- Type of Construction: Type A
- Rise in Storeys: Four (4)
- Effective Height: Less than 25m

\*Note this description relates to the BCA classification and is unrelated to any planning terms used.

Compliance with the BCA for these specific works will be able to be achieved by a combination of compliance with the deemed-to-satisfy (DTS) provisions and the documentation of alternative solutions in accordance with Clause A0.5 of the BCA, suitably prepared by an Accredited Fire Safety Engineer to achieve compliance with the performance provisions of the BCA.

Notwithstanding the above comments we note that specific detailed compliance with the Building Code of Australia is not a prescribed head of consideration under Section 79C of the Environmental Planning & Assessment Act 1979 and accordingly, we trust that the determination of the development application will not be subject to the assessment of any technical matters under the State's building regulations.

In this regard and pursuant to Clause 54 (4) of the Environmental Planning & Assessment Regulation 2000, we trust that the Department will not require any additional information in the determination of the development application for technical BCA matters that will be assessed at the Construction Certificate stage.

I wish to confirm that matters pertaining to compliance with the BCA will be suitably assessed by the appointed Certifying Authority prior to the issue of the Construction Certificate in accordance with Clause 98 of the Environmental Planning and Assessment Regulations 2000.

We trust this submission satisfies any concerns of the Consent Authority with compliance of the development with the relevant requirements and provisions of the BCA.

Should you require further assistance or clarification please do not hesitate to contact the undersigned at your convenience.

Yours sincerely
