19 November 2021

Planning Secretary  
Department of Planning, Industry and Environment

Via: Major Projects Planning Portal

Dear Sir/Madam,

**Re: Commencement of Development of SSD 8642**

On 26 April 2021 the Independent Planning Commission (IPC) approved the Mangoola Coal Continued Operations (MCCO) Project under Part 4 of the *Environmental Planning and Assessment Act 1979* and issued Development Consent to Mangoola Coal Operations Pty Limited (Mangoola) for State Significant Development (SSD) 8642.

Since the granting of SSD 8642, ongoing efforts have been made to obtain the necessary supplementary approvals to permit the timely commencement of construction. We are now pleased to provide the Department notification of commencement as required by SSD 8642. Relevantly, Condition A13 of SSD 8642 states:

***Notification of commencement***

*A13. The date of commencement of each of the following phases of the development must be notified to the Department in writing, at least two weeks before that date:*

- (a) commencement of development under the consent;*
- (b) commencement of construction under the consent;*

In accordance with Condition A13(a) and A13(b) Mangoola hereby provide written notification of the commencement dates of development and commencement of construction activities approved by SSD 8642 as outlined in *Table 1*.

***Table 1 Notification of Commencement of SSD 8642***

SSD 8642 Condition	Date
A13(a). Commencement of development under the consent.	6 December 2021
A13(b). Commencement of construction under the consent.	6 December 2021

# GLENCORE

Should all necessary approvals not be established or Mangoola experience any unforeseen delays prior to the commencement of development or construction as outlined in *Table 1* further notification will be provided to the Department.

Please feel free to contact me at any stage if you would like any further information in relation to the content of this correspondence.

Regards,

Mitchell Green
