Dear Mr Palmer

Endorsement of Expert – Air Quality and Greenhouse Gas Management Plan**

I refer to your request dated 13 May 2022 requesting approval of suitably qualified persons to prepare the Air Quality and Greenhouse Gas Management Plan as required under condition B31 of the SSD 8642.

The Department has reviewed the nomination and information you have provided and is satisfied that Mr Aleks Todoroski is suitably qualified and experienced.

Consequently, I can advise that the Planning Secretary approves the appointment of Mr Aleks Todoroski as a suitably qualified expert for the purpose of preparing the Air Quality and Greenhouse Gas Management Plan.

Further to the above, the Department confirms that this endorsement extends to future reviews of the respective management plans. Noting that minor revisions which do not influence agreed management strategies (e.g. administrative changes) may be completed without input from the above expert.
