**Subject: Approval of Mangoola Coal Continued Operations Project Air Quality and Greenhouse Gas Management Plan**

Dear Mr Palmer

I refer to your submission dated June 2022, seeking approval of the Air Quality and Greenhouse Gas Management Plan (AQGHGMP) which was submitted in accordance with Condition B31 of Schedule 2 of the Development Consent for the Mangoola Coal Continued Operations Project (version 1, dated July 2022).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the condition.

Accordingly, as nominee of the Planning Secretary, I approve the AQGHGMP (version 1 dated October 2022).

You are reminded that if there are any inconsistencies between the AQGHGMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Joe Fittell on (02) 4908 6896.

Yours sincerely
