Dear Mr Palmer

I refer to the Visual Impact Management Plan (Version 1, dated September 2022) which was submitted in accordance with condition B76 of Schedule 2 of the development consent for the Mangoola Continued Operations Project (SSD 8642). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in SSD 8642.

Accordingly, as nominee of the Planning Secretary, I approve the Visual Impact Management Plan (version 1, dated September 2022).

You are reminded that if there are any inconsistencies between the Visual Impact Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.
