Subject: Approval of Mangoola Surface Water Management Plan

Dear Mr Palmer

I refer to the Surface Water Management Plan submitted in accordance with Condition B50(e) of Schedule 2 of the development consent for the Mangoola Coal Continued Operations Project (SSD 8642). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in SSD 8642 and is consistent with discussion held between Mangoola Coal and the Department on 22 September 2023.

Accordingly, as nominee of the Planning Secretary, I approve the Surface Water Management Plan (version 2.0, dated September 2023).

You are reminded that if there are any inconsistencies between the Surface Water Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Joe Fittell on (02) 4908 8696

Yours sincerely
