Dear Mr Palmer,

I refer to your submission dated 29 November 2024, requesting approval of the revised Mangoola Open Cut Translocation of Threatened Flora Species Management Plan Management Plan (Version 5.0, dated 8 November 2024).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent for Mangoola Coal Continued Operations Project (SSD-8642).

Accordingly, as nominee of the Planning Secretary, I approve the Mangoola Open Cut Translocation of Threatened Flora Species Management Plan Management Plan (Version 5.0, dated 8 November 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.
