Dear Mr Lennon,

**Landscape Modifications – Condition C48
Alterations and Additions to Fairvale High School (SSD 8677)**

I refer to your submission dated 6 May 2020 to seek the satisfaction of the Planning Secretary for the Landscape Modifications Plans in accordance with condition C48 of SSD 8677.

I note that the landscape modifications:

- have been reviewed by the Applicant and no issues have been raised;
- contain the information required by condition C48; and
- have been made in consultation with Council and that the outcome of the consultation is that additional trees will be planted within the site boundary rather than as street trees along the northern side of Thorney Road between Zarlee and Maud Street.

As nominee of the Planning Secretary, I am satisfied with the landscape modifications made in the 'Landscape Design Plans' in accordance with condition C48 of SSD 8677.

You are reminded that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions, or wish to discuss the matter further, please contact Shiraz Ahmed at 9274 6534 or email shiraz.ahmed@planning.nsw.gov.au

Yours sincerely
