Dear Mr Betts

Fairvale High School Redevelopment Project (SSD 8677): Submission of Structural Certificate for Stage 1 Works in accordance with Condition D13

I refer to the Fairvale High School Redevelopment Project approved on the 31 January 2019.

In accordance, with condition D13 of the Development Consent, a copy of the Structural Certificate with an electronic set of final drawings must be submitted to the approval authority after:

- (a) the site has been periodically inspected and the Certifying Authority is satisfied that the structural works is deemed to comply with the final design drawings;
- (b) the drawings listed on the Inspection Certificate have been checked with those listed on the final Design Certificate/s; and
- (c) person/s authorised to, for the life of the development.

In accordance with condition D13 of the Development Consent, the following documentation has been submitted to the approval authority:

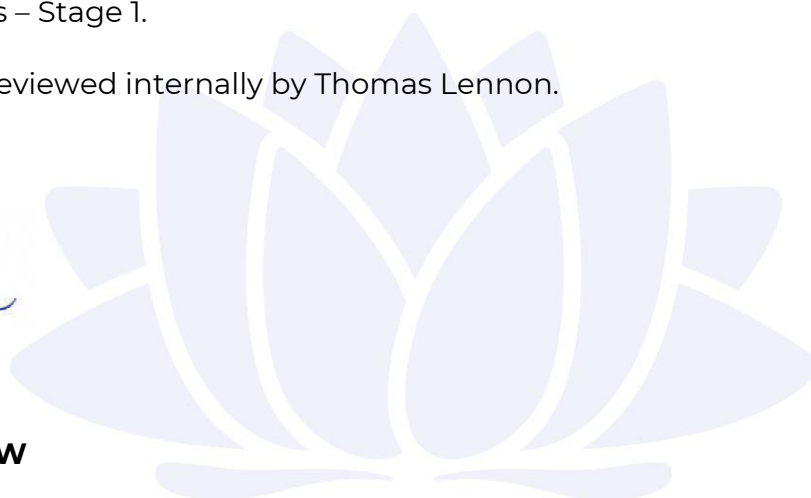

- 1. Structural Engineer Certification – Stage 1,
- 2. Structural Drawings – Stage 1.

The document has been reviewed internally by Thomas Lennon.

Yours sincerely

Thomas Lennon
Project Director
School Infrastructure NSW

Attachment 1 - Condition Reference Table

Condition no.	Condition requirements	Location in document
D13	A Structural Inspection Certificate or a Compliance Certificate must be submitted to the satisfaction of the Certifying Authority prior to the occupation of the relevant parts of any new or refurbished buildings. A copy of the Certificate with an electronic set of final drawings (contact approval authority for specific electronic format) must be submitted to the approval authority and the Council after: (a) the site has been periodically inspected and the Certifying Authority is satisfied that the structural works is deemed to comply with the final design drawings; and (b) the drawings listed on the Inspection Certificate have been checked with those listed on the final Design Certificate/s. (c) person/s authorised to, for the life of the development.	This letter, Document 1 (Structural Engineer Stage 1 Certification and Structural Drawings).
