Hi Luke,

As discussed, we are required under condition B4 to provide to the Planning Secretary, evidence of your acceptance of the submission.

External Walls and Cladding

B4. Prior to the commencement of construction, the Applicant must provide the Certifier with documented evidence that the products and systems proposed for use or used in the construction of external walls, including finishes and claddings such as synthetic or aluminium composite panels, comply with the requirements of the BCA. The Applicant must provide a copy of the documentation given to the Certifier to the Planning Secretary within seven days after the Certifier accepts it.

As we have received CC1 and the attached were submitted to BMG as part of the application to address this condition, we understand it has been accepted.

Could you please confirm your acceptance so we can provide evidence to the PS?

kind regards,

Laura Goodall

Hi All,

Please find the Stage 1 Crown Certificate attached for the Covered Outdoor Learning Area (COLA) associated with the existing hall **only** and to the exclusion of the upgrades to Kingscliff High School, including construction of a new Performing Arts building, alterations to existing buildings, carparking and local infrastructure.

Regards,
