Dear Mr Lennon,

**Greystanes Public School (SSD 8778)
Revised Staging Report, Condition A22**

I refer to the revised Staging Report submitted to the Planning Secretary in accordance with condition A22 of the consent for the Greystanes Public School (SSD 8778). I acknowledge and thank you for your response to the Department's request for additional information.

I note that the revised Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition A23 of SSD 8778; and
- seeks approval of both staged construction and operations of the redevelopment.

Accordingly, as nominee of the Planning Secretary, I approve the revised Staging Report, Version 05 dated 8 November 2021, in accordance with condition A22 of SSD 8778.

I remind you to implement the safety mitigation measures as outlined in the Staging Report throughout construction and roll out of operational stages of the redevelopment. I also remind you to submit a revised Staging Report for the Planning Secretary's approval if there are any changes to the approved document.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management
