Dear Mr Lennon,

Greystanes Public School – SSD 8778
Operational Transport and Access Management Plan, Condition D24

I refer to the Operational Transport and Access Management Plan (OTAMP) submitted to the Planning Secretary in accordance with condition D24 of the consent for the Greystanes Public School Upgrade (SSD 8778). I acknowledge and thank you for your response to the Department's review comments and response for additional information.

I note that the OTAMP:

- has been reviewed by the Applicant and no issues have been raised;
- contains evidence of consultation with Cumberland City Council;
- contains information required by condition D24 of SSD 8778; and
- has been submitted following completion of all construction stages.

As nominee of the Planning Secretary, I am satisfied that the revised OTAMP, Revision 2 dated 21 January 2022, meets the requirements of condition D24 of SSD 8778.

I remind you to submit the revised Operational Transport and Access Management Plan to the Planning Secretary for approval if comments are received from Transport for NSW (RMS) that result in changes to the document.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions or wish to discuss the matter further, please contact Tom Scoble at thomas.scoble@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton

Director – Infrastructure Management

As nominee of the Planning Secretary
