| <b>Environmental Protection and Biodiversity Conservation Act 1999</b>                                                                                                                                                                                                                                                                                                                                                                      |                                             |                    |
| <b>Section 136 General Considerations</b>                                                                                                                                                                                                                                                                                                                                                                                                   |                                             |                    |
| 1) In deciding whether or not to approve the taking of an action, and what conditions to attach to an approval, the Minister must consider the following, so far as they are not inconsistent with any other requirement of this Subdivision:<br><br>(a) matters relevant to any matter protected by a provision of Part 3 that the Minister has decided is a controlling provision for the action;<br><br>(b) economic and social matters. | <b>Section 6.3</b><br><b>Section 9.0</b>    | <b>N/A</b>         |
| 2) In considering those matters, the Minister must take into account:<br>(a) the principles of ecologically sustainable development; and<br><br>(b) the assessment report (if any) relating to the action                                                                                                                                                                                                                                   | <b>Section 3.13</b><br><b>Section 9.2.2</b> | <b>Appendix FF</b> |
| <b>Section 139 Requirements for decisions about threatened species and endangered communities</b>                                                                                                                                                                                                                                                                                                                                           |                                             |                    |
| 1) In deciding whether or not to approve for the purposes of a subsection of section 18 or section 18A the taking of an action, and what conditions to attach to such an approval, the Minister must not act inconsistently with:<br><br>(a) Australia's obligations under:<br>i. the Biodiversity Convention; or<br>ii. the Apia Convention; or<br>iii. CITES; or<br><br>(b) a recovery plan or threat abatement plan.                     | <b>N/A</b>                                  | <b>N/A</b>         |
| 2) If:<br><br>(a) the Minister is considering whether to approve, for the purposes of a subsection of section 18 or section 18A, the taking of an action; and                                                                                                                                                                                                                                                                               | <b>N/A</b>                                  | <b>N/A</b>         |

| Requirement                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Report/EIS                                                                                               | Technical Study |

| The demolition of a building or work may be carried out only with development consent.                                                                                                                                                                                                                                                          | <b>Section 6.5</b> | <b>Appendix B</b> |
| <b>Clause 4.3 Height of buildings</b>                                                                                                                                                                                                                                                                                                           |                    |                   |
| The height of a building on any land is not to exceed the maximum height shown for the land on the Height of Buildings Map.                                                                                                                                                                                                                     | <b>Section 6.5</b> | -                 |
| <b>Clause 4.4 Floor space ratio</b>                                                                                                                                                                                                                                                                                                             |                    |                   |
| (2) The maximum floor space ratio for a building on any land is not to exceed the floor space ratio shown for the land on the <i>Floor Space Ratio Map</i> .                                                                                                                                                                                    | <b>Section 6.5</b> | -                 |
| <b>Clause 4.6 Exemptions to development standards</b>                                                                                                                                                                                                                                                                                           |                    |                   |
| (2) Development consent may, subject to this clause, be granted for development even though the development would contravene a development standard imposed by this or any other environmental planning instrument. However, this clause does not apply to a development standard that is expressly excluded from the operation of this clause. | <b>Section 6.5</b> | -                 |
| <b>Clause 5.10 Heritage Conservation</b>                                                                                                                                                                                                                                                                                                        |                    |                   |

| Requirement                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Report/EIS  | Technical Study |
