Dear Ms Hirst,

**Mainsbridge School for Specific Purposes (SSD 8792)  
Acknowledgment Receipt of a Bushfire Emergency Management  
and Evacuation Plan (Condition D13)**

I refer to the Bushfire Emergency Management and Evacuation Plan (BEM&EP) which was submitted to the Planning Secretary for information under condition D13 of SSD 8792.

The condition requires that the Plan must be prepared in accordance with section 4.2.7 of *Planning for Bush Fire Protection 2006, Development Planning – A Guide to Developing a Bush Fire Emergency and Evacuation Management and Excavation Plan December 2014* (or equivalent) and Australian Standard AS 3745-2010 *Planning for Emergencies in Facilities*.

Accordingly, I acknowledge receipt of the BEM&EP for the Mainsbridge School for Specific Purposes under condition D13 of SSD 8792.

Please note that since issue of the conditions of consent, a new version of the Planning for Bush Fire Protection 2019 (PBP 2019) has been adopted on 1 March 2020, with pre-released versions in 2018 and 2019. The PBP 2019 can be found at <https://www.rfs.nsw.gov.au/plan-and-prepare/building-in-a-bush-fire-area/planning-for-bush-fire-protection>.

I note that the BEM&EP for the school will be reviewed annually. Therefore, the next review of the Plan must be carried out in accordance with the new Planning for Bush Fire Protection 2019 requirements. A copy of the updated Plan must be submitted to the Planning Secretary.

If you wish to discuss the matter further, please contact Sidonie Crepeau on 92746231 or at [sidonie.crepeau@planning.nsw.gov.au](mailto:sidonie.crepeau@planning.nsw.gov.au).
