Dear Mr Hogan,

**Mainsbridge School for Specific Purposes - SSD 8792
Operational Transport and Access Management Plan (Condition D9-D11)**

I refer to the Operational Transport and Access Management Plan (OTAMP) for the Mainsbridge School for Specific Purposes which was submitted under condition D9 of SSD 8792.

I note that the final OTAMP:

- has been reviewed by the Applicant and no issues have been raised;
- has been submitted to the Department prior to the commencement of operation; and
- contains the information required under conditions D9 to D11.

As nominee of the Planning Secretary, I am satisfied that the OTAMP, Issue Final A (ref 687/2020) dated February 2021, has been prepared in accordance with condition D9 of SSD 8792.

You are reminded to install the traffic zone signs before the commencement of operation of the school.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of consent will prevail.

If you have any questions, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,
