Dear Ms Dunlop

Request for comment – Elizabeth Drive Subdivision (SSD 8859) – Elizabeth Drive Cecil Park

I refer to the letter dated 21 January 2019 inviting the Environment Protection Authority ("EPA") to provide comment on the development application and environmental impact statement for the Elizabeth Drive Subdivision (SSD 8859), located at 1111-1141 Elizabeth Drive Cecil Park in the Fairfield Local Government Area.

The EPA previously responded to the Department of Planning & Environment's invitation to comment on the SEARs for SSD 8859 on the 10 November 2017 (DOC174/543449-01).

On the basis of the information provided, the proposal does not constitute a Scheduled Activity under Schedule 1 of the *Protection of the Environment Operations Act 1997* ("the POEO Act"). The EPA does not consider that the proposal will require an Environment Protection Licence under the POEO Act.

The EPA has no further comment regarding the proposal and has no further interest in this matter.

Yours sincerely
