Dear Laura,

**RE: Victoria Cross OSD Concept Plan Modification Application – Accessibility
Compliance Letter v2**

Morris Goding Access Consulting has reviewed the adaptation of the building envelope for OSD development at the proposed Victoria Cross station.

The changes to the envelope will have no impact on accessibility compliance in accordance with BCA 2016 D3.4, the DDA Access to Premises (Buildings) standard and related accessibility standards. Internal impact will be subject to compliance in further design development.

Yours faithfully,

Jeremy Tagle
Senior Access Consultant
