Subject: Liddell Battery and Bayswater Ancillary Works - notification of operation

Dear Ms Lacy

I refer to your letter dated 25 June 2026 notifying the NSW Department of Planning, Housing and Infrastructure of the operation of the Liddell Battery Energy Storage System, as required by Schedule 2 Condition C12 of development consent SSD-8889679.

AGL Macquarie has advised that construction is complete and the system will commence operating on or soon after 27 June 2026 once all commissioning activities are finalised.

It is the responsibility of AGL Macquarie to ensure that all relevant certificates and approvals have been obtained prior to commencing any stages of the development. This includes approval of relevant strategies, management plans, and programs required by the consent.

Our acknowledgment of this notification is not an endorsement of the compliance status of the development.

Should you wish to discuss this matter, please contact Jennifer Sage, Senior Compliance Officer on 02 6575 3420 or email compliance@planning.nsw.gov.au

Yours sincerely
