Request for Extension of Consents Under SSD 8889679

AGL Macquarie (AGLM) hold SSD 8889679 for the Liddell Battery and Bayswater Ancillary Works. Schedule 2 Condition A5 of SSD 8889679 states the following:

At a time determined by the Secretary, being no later than 12 months after the date of commencement of development, or other timeframe agreed by the Planning Secretary in writing, the following development consents are to be surrendered in accordance with section 68 of the EP&A Regulation:

- (a) 8/2016 (MSC)
- (b) 74/2018 (MSC)
- (c) 8.2018.273.1 (SC)
- (d) 8.2018.23.1 (SC)
- (e) 8.2018.23.2
- (f) 54_86 (MSC)
- (g) 29_98 (SC)
- (h) 114_2016 (MSC)
- (i) 223_2004
- (j) 401_2000 (SC)
- (k) 460_2001 (SC)

AGLM are requesting an extension of the due date for surrender of these consents to 31 August 2024. AGLM are awaiting confirmation with Muswellbrook Shire Council and Singleton Council to confirm that the information supplied is satisfactory to surrender the relevant consents. AGLM understands that a previous request for extension on the consent relinquishment has been made, however, the matter remains under review by both Councils and efforts are ongoing to facilitate the surrender of these consents.

Please contact me on Jmcmamara2@agl.com.au or 0498 730 868 if you have any further questions in relation to SSD 8889679.
