Dear Ms Mitchell

**Wellington North Solar Farm (SSD-8895)  
Request to Revise Site Access Treatment**

I refer to your request dated 21 March 2022 regarding condition 6 of Schedule 3 of the development consent for the Wellington North Solar Farm.

The Department notes the request seeks the Planning Secretary's approval to allow construction of an Auxiliary Left-Turn Lane Short AUL(S) treatment in place of an Auxiliary Left-Turn Lane (AUL) treatment at the intersection of the project's primary site access with Goolma Road described in condition 6 of Schedule 3.

The Department has carefully reviewed your request and notes that Transport for NSW (TfNSW), as the relevant road authority, has confirmed its satisfaction with your proposal to implement an AUL(S) intersection upgrade to facilitate the left turn movements into the site.

Accordingly, the Planning Secretary, in consultation with TfNSW, agrees to the AUL(S) treatment at the intersection of the primary site access with Goolma Road.

If you wish to discuss the matter further, please contact Tatsiana Bandaruk on (02) 8275 1349.

Yours sincerely

A handwritten signature in blue ink, appearing to be 'Nicole Brewer', written over a light blue rectangular background.
