Subject: Wellington North Solar Farm – Biodiversity Management Plan

Dear Mrs Mitchell

I refer to your submission requesting approval of the Biodiversity Management Plan, which was submitted in accordance with condition 15 of Schedule 3 of the development consent for the Wellington North Solar Farm (SSD-8895).

The Department notes that the Biodiversity Management Plan has been:

- prepared in consultation with the Department's Biodiversity, Conservation and Science Directorate; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan (version 21894/R04 dated 3 June 2022) under condition 15 of Schedule 3.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at [kurtis.wathen@dpie.nsw.gov.au](mailto:kurtis.wathen@dpie.nsw.gov.au).

Yours sincerely
