Dear Mr. Beattie

**Major alterations and additions to the Stevenson Library Building at The Scots College,
29-53 Victoria Road, Bellevue Hill (SSD 8922)
Response to Submissions**

I refer to correspondence received by the NSW Environment Protection Authority (**EPA**) on 11 January 2019 requesting comments to the Response to Submissions (**RtS**) for the major alterations and additions to the Stevenson Library Building at The Scots College.

On review of the RtS, the EPA maintains the position that the proposal will not require an Environment Protection Licence under the *Protection of the Environment Operations Act 1997*. The EPA understands that the proposal is not being undertaken by or on behalf of a NSW public authority. The EPA is therefore not the appropriate regulatory authority for the proposal

Accordingly, the EPA has no comments regarding the proposal and has no further interest in this matter.

If you have any queries regarding this matter, please contact Kieran Henry on (02) 8837 6000 or via email at kieran.henry@epa.nsw.gov.au.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'T. Lawrence'.
