**IMSA Gallipoli Campus Auburn (SSD-8926)  
Acoustic Mitigation (Evidence of Consultation), Condition B2**

Dear Mr Anmak

I refer to your evidence of consultation submitted to the Planning Secretary under condition B2 of SSD-8926. I acknowledge and thank you for your response to the Department's request for additional information.

I note that:

- an agreement could not be reached between the Applicant and the property owner of 2A Percy Street in relation to acoustic mitigation measures;
- correspondence and offers (exceeding the mitigation measures required in the consent) were provided to the Department, as per condition B2, where an agreement could not be reached; and
- evidence of consultation has been demonstrated as per condition A10(b).

Accordingly, the Department has filed the evidence of consultation for our information as per condition B2 of SSD-8926.

I remind you to provide acoustic mitigation as per the consent, if the property owner of 2A Percy Street agrees.

Please note that if there are any inconsistencies between the submitted evidence of consultation and the conditions of consent, the conditions will prevail.

If you have any questions, please contact Jeremy Martin at [jeremy.martin@dpie.nsw.gov.au](mailto:jeremy.martin@dpie.nsw.gov.au).

Yours sincerely

Shiraz Ahmed
