Dear Mr deWitt,

**Catherine McAuley Catholic College (SSD 8989)
Approval of Stage 2 Stormwater Management Plans – Condition A13**

I refer to your submission dated 18 September 2020 requesting the Planning Secretary's approval for the revised Stormwater Management Plan (SMP) in accordance with condition A13 of SSD 8989.

I note that the SMP:

- has been reviewed by the Applicant and no issues have been raised;
- includes information relevant to Stage 2 works of the project; and
- contains the information required by condition B3.

As nominee of the Planning Secretary, I approve the revised SMP, Rev 6 dated 12 October 2020 under condition A13 of SSD 8989.

You are reminded that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail.

You are also reminded that if the approved staging report requires plans to be updated prior to the commencement of Stage 3, you must submit the updated plans to the Department for review at least 60 days before the commencement of that stage.

If you wish to discuss the matter further, please contact Sam Kelly at Ph:9995 5733 or by email: samuel.kelly@planning.nsw.gov.au.

Yours sincerely
