Revised Community Communication Strategy (SSD-8989)
Catherine McAuley Catholic College, Condition C8

Dear Mr. de Witt,

I refer to your revised Community Communication Strategy (CCS) - Stage 3, 4 & 5 submitted to the Planning Secretary for approval in accordance with condition C8 of SSD-8989.

I note that the revised CCS has been:

- reviewed by the Applicant and no issues have been raised;
- amended to include updated information including community letter distributed to the neighbouring properties for Stage 3 works under Appendix 1 of the CCS;
- contains the information required by condition C8 of the consent; and
- submitted to the Department prior to undertaking construction works for Stage 3.

As nominee of the Planning Secretary, I approve the revised Community Communication Strategy, Revision 2 dated July 2022, under condition C8 of SSD-8989.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail.

Please also ensure that the revised CCS is placed on the project website for public access at the earliest convenience.

If you have any questions or wish to discuss the matter further, please contact Sam Heaton on Samuel.Heaton@dpie.nsw.gov.au.

Yours sincerely

Dominic Crinnion

Acting Director
Infrastructure Management

As nominee of the Planning Secretary
