Dear Ms Hoy,

**Loreto Normanhurst School Redevelopment (SSD 8996)
Community Consultative Committee, Condition C11**

I refer to the Applicant's letter dated 19 April 2022 requesting a name change to the Community Consultative Committee (CCC), established in accordance with condition C11 for the Loreto Normanhurst School Redevelopment (SSD-8996).

The Department supports the renaming of the CCC to 'Loreto Normanhurst School Redevelopment – Community Consultative Committee (SSD-8996)'. Should an alternative name be required, the Department would not object to any alternative name agreed and adopted by the CCC, provided the alternative name contains the approved Development Consent SSD number and SSD project name.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
