Subject: Cultural Heritage Management Plan for Avonlie Solar Farm (Condition 18, Schedule 3 of SSD-9031)

Dear Mr Wang,

I refer to your request for approval of the Cultural Heritage Management Plan (CHMP) (Revision 1.4, dated 25/05/2022).

The Department notes that the CHMP was updated in response to the findings of the Independent Environmental Audit (April 2022) (IEA), which recommended the CHMP be revised to reflect the findings of the Aboriginal Cultural Heritage Salvage Report (2019).

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant condition and the recommendations of the IEA. The Department also notes Heritage NSW have confirmed they have no concerns with the revised CHMP.

Accordingly, as nominee of the Planning Secretary, I approve the revised CHMP (Revision 1.4, dated 24/04/2022).

You are reminded that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact Julia Green on 9585 6409 or julia.a.green@dpie.nsw.gov.au.

Yours sincerely
