Good afternoon Steffi
Federation Council officers have reviewed the documentation for the modification of consent number 2 and have no additional comments or conditions regarding the proposed modification:

- 1. Relocation of the approved BESS south of Lambruck Lane to north of Lambruck Lane.
- 2. Change to the approved BESS technology (From Tesla Powerpack toCATL EnerX technology)
- 3. Adjustment of the solar array layout in Stage 1b, to accommodate the BESS.

A copy of this email will be uploaded to the NSW Planning Portal as Council's submission.
If you require any clarification please do not hesitate to contact me.

Yours sincerely,
