Hi James,

I refer to the current application being assessed for Dalswinton Sand and Gravel Quarry. It is understood that it is yet to be determined and in the RTS stage of the assessment.

In addition to the attached response from TfNSW of 27 January 2022, TfNSW request road widening and the construction of a dedicated right turn lane off the Golden Hwy into the quarry access road. These are to ensure safe, efficient and ongoing operation is provided for the State Road network.

Please let me know if the new additional information will be considered in the EIS assessment.

Kind regards

**Marg Johnston**
