Dear Mt Crestani,

**Armidale Public School Redevelopment (SSD 9095)
Submission of Operational Transport and Access Management Plan – Condition D12**

I refer to your recent submission of the Operational Transport and Access Management Plan (OTAMP) (titled, Armidale High School OTAMP, Rev 1 dated October 2020), and your request seeking the Planning Secretary's satisfaction that it has been prepared in accordance with condition D12 of SSD 9095.

I note that the OTAMP:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with Council and TfNSW;
- has been submitted to the Department prior to the operation of the development; and
- contains the information required by condition D12.

As nominee of the Planning Secretary, I am satisfied that the OTAMP, Rev 1 dated October 2020, has been prepared in accordance with condition D12 of SSD 9095.

Please remove the word "Draft" from the OTAMP and re-submit the plan to the Department for information.

If there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions, or wish to discuss this matter further, please contact Sam Kelly at 9995 5733 or email Samual.kelly@planning.nsw.gov.au.

Yours sincerely

Jake Shackleton
