Dear Sir/Madam

**State Environmental Planning Policy (Infrastructure) 2007
Sydney Metro City and Southwest – 13-23 Gibbons Street, Redfern
(SSD 9194)**

This letter is in response to the above State Significant development application that was sent to Sydney Metro for comment.

A small section of the 13-23 Gibbons Street, Redfern site is within the Sydney Metro City and Southwest corridor. The proposed works do not involve excavation greater than 2 meters as part of an SSD application and Sydney Metro considers that the *State Environmental Planning Policy (Infrastructure) 2007* (ISEPP) does not apply. Accordingly, Sydney Metro has no comments on the proposed works.

If applicable, Sydney Trains or Transport for NSW may respond separately.

Should you have any questions or require additional information, please contact Peter Bourke, Senior Manager, Corridor Protection on (02) 8265 6015 or Denise Thornton, Corridor Protection Co-ordinator on (02) 8265 9658 or via email SydneyMetroCorridorProtection@transport.nsw.gov.au

Yours sincerely
