Subject: RE: CTMP Submission 13-23 Gibbons Street Redfern

Hi Goran

I have reviewed the amendments and TfNSW has no further comments and the existing endorsement is still current.

Hi Kaye,

During final consultation with Council we were required to amend some parts of the CTMP. Only minor changes however still need your approval on the most current attached version.

Some of the changes are as follows:

- Edited the TCP text box
- Included comment on swept path about the temporary driveway
- Edited text in report regarding parking impacts.
- Site access
- Hours of operation

Let me know if you need anything else, your prompt response will be much appreciated!

Subject: RE: CTMP Submission 13-23 Gibbons Street Redfern

Hi Goran

Thank you for providing TfNSW with the Construction Traffic Management Plan (CTMP) for 13-23 Gibbons St, Redfern.

Several construction projects are likely to occur at the same time as this development within the CBD. The cumulative increase in construction vehicle movements from these projects could have the potential to impact on general traffic and bus operations in the CBD, and the safety of pedestrians and cyclists within the CBD particularly during commuter peak periods.

TfNSW has endorsed the attached CTMP. Please ensure this CTMP is shared and adhered to by all contractors. If the CTMP changes, please forward a copy to TfNSW for further review and endorsement.

TfNSW welcomes ongoing discussions on any issues that may arise during the development relating to traffic and transport.

Hi Kaye,

Thanks for you time this morning and good to hear things are going well on your end.
As discussed please see attached relevant emails issued via the generic TfNSW email, 23rd and 25th November.

We received a generic response 1st December.

We are hoping to commence ASAP so it would be great if we can get your feedback/assistance before the break.

Much appreciated.

Regards
Goran Iliev
